Activate Me (SNBRN Remix)

ASTR

For you (x4)
For you (x4)I've been waiting for you
I've been waiting for, I've been waiting for you
Activate activate activate meDon't wanna hear it
When you tell me you understand
Wanna believe it
Want you to show me you really careAnd I won't wait for you to make you mind
It's now or never, boy let's redefineI've been waiting for you
I've been waiting for, I've been waiting for you
I've been waiting for, I've been waiting for you
Activate activate activate meDon't wanna resist
It's already written, it's in your eyes
Want you to be there
So come and tell me what's on your mindYour hesitation's leaving me so cold
And I won't wait it's time to take controlI've been waiting for you
I've been waiting for, I've been waiting for you
I've been waiting for, I've been waiting for you
Activate activate activate me
Activate activate activate meCause you can't ignore
Cause you can't ignore me
Cause you can't ignore
Cause you can't ignore oooh
Cause you can't ignore me
Cause you can't ignoreI've been waiting for you
I've been waiting for, I've been waiting for you
I've been waiting for, I've been waiting for you
Activate activate activate me
Activate activate activate meI've been waiting for you (x2)
