

I Pledge My Love

Peaches & Herb

Always together, together forever
Always together forever I will love you 'til the day I die
I know this now and my love won't run dry
You came along, my life has begun
Two hearts are now beating as though they were one Like the stars that make the night so bright
You shine on me with a love that's so right
A love that is lasting, a love that's so pure
Each time I feel it, it makes me more sure I know with all my heart, we'll never part
For this is the day when our love comes alive
And I mean what I say as I stand here saying I pledge my love to you
I pledge my love is true
I pledge my life to you
I do, my dear, I do, my dear Like a river finds the deep blue sea
Love took your hand and led you to me
This is the us that I'll never forget
Both sparkling with love but happy we met I know with all my heart, we'll never part
For this is the day when our love comes alive
And I mean every word and I want you to know that I pledge my love to you
I pledge my love is true
I pledge my life to you
I do, my dear, I do, my dear I'm so proud to have you by my side
You'll be my strength and I'll be your guide
You are the one, you're a dream that is real
Heaven has sent you, it's love that I feel I know with all my heart, we'll never part
For this is the day when our love comes alive
And I mean what I say if somebody should ask me I pledge my love to you
I pledge my love is true
I pledge my life to you
I do, my dear, I do, my dear I do, I pledge my love to you
