

Drinking With the Jocks

Against Me!

I'm drinking with the jocks
I'm laughing at the faggots
Just like one of the boys
Swinging my dick in my handAll my life
All my life
Just like I was one of themLook at all them bitches, yeah
I'm going to fuck them all
Look at all that pussy, yeah
Fill it up with cumAll my life
All my life
Wishing I was one of them
