Do What You Do

[Xtc](#)

Do what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to meThe stars are out and so am I
The stars I see, ain't in the sky
I'm heading, heading, heading for Twilight Zone
[Incomprehensible]
Please don't take me homeDo what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to meDo what you do what you
Do what you do what you
Do what you do to me
