

Rediscovery

Alucdnation

Oh, what a beautiful night
The stars are shining bright
I've not been feeling right
Not been feeling right
I've not been feeling right Soon it's gonna change
Time to rearrange
Stop this acting strange Found us a beautiful place
A perfect time and space
And now we can retrace
Now we can retrace
Now we can retrace All we have begun
New oblivion
Havin' lots of fun Got to get back inside
Dreams and thoughts collide
Save you from this crazy
Save you from this crazy
Save you from this crazy life Please be good to me
My last chance to be free
This mountain majesty
This rediscovery
