

Remember Yesterday

HammerFall

It seems so hard to carry on
When you hear a voice
From long ago, so bittersweet Even though I try, I can not
Read between the lines
You know I tried,
Oh, yes, I tried, what 's wrong Too late to turn back time
To look over my shoulder
Maybe one day I 'll return again Remember Yesterday
And think about tomorrow
But you have to live today
Oh, lonely yesterday Don 't leave me with the sorrow
'Cause I have to live today Every morning I awake
To see the newborn day
To carry on the flame
Until the end of time Too late to turn back time
To look over my shoulder
Maybe one day I 'll return again Remember Yesterday
And think about tomorrow
But you have to live today
Oh, lonely yesterday
Don 't leave me with the sorrow
'Cause I have to live today Oh, oh, oh, don 't you step aside
And pretend about the future
Oh, oh, oh, never live a lie
Don 't you know tomorrow never comes Remember Yesterday
And think about tomorrow
But you have to live today
Oh, lonely yesterday
Don 't leave me with the sorrow
'Cause I have to live today Oh, oh, oh, don 't you step aside
And pretend about the future
Oh, oh, oh, never live a lie
Don 't you know tomorrow never comes
