

You're the Cream in My Coffee

Nat "King" Cole

You're the cream in my coffee
You're the salt in my stew
You'll always be my necessity
I'd be lost without you
You're the starch in my collar
You're the lace in my shoe
You'll always be my necessity
I'd be lost without you
Most men tell love tales
And each phrase dovetails
You've heard each known way
This way is my own way
You're the sail of my love boat
You're the captain and crew
You'll always be my necessity
I'd be lost without you
