Join Me In L.a.

Warren Zevon

Well, they say this place is evil
That ain't why I stay
'Cause I found something
That will never be nothing
And I found it in L.A.
It was midnight in Topanga
I heard the DJ say
There's a full moon rising
Join me in L.A.
Wake up, wake up
I was at the Tropicana
On a dark and sultry day
Had to call someone long distance
I said, ?Join me in L.A.?
Join me in L.A.
