

# I'll Love You Forever Today

**Cliff Richard**

'Love is being friends,' she says  
'Going on and on' she says  
'True love never ends,' she says  
'I don't believe a word'  
She says, 'I don't believe a word'"Love is now for me,' I say  
True love needn't come to stay  
It can come and slip away  
Believe me when I say  
That love is strictly for today  
Love is many things to many people  
I just know what it means to me  
Love is 'tie me down' to many people  
For me, if it's right, then it's got to be free  
I can't look ahead to say  
Tomorrow I'll still feel this way  
Who knows what games we both might play?  
But this I'm gonna say 'I'll love you forever Today'On and on today, Never ending today  
I'll love you forever today
