# The Way

## Matchbox 20

Think about the way the earth revolves around the sun
Gravity holds it all in place and keeps it all from coming undone
That?s the way, that?s the way I feel about you
Think about how a baby cries to feel his mother?s touch
And how he finally rest so peacefully when she finally picks him up
That?s the way, that?s the way I feel about you
Oh they say the sky the limit, but I say there is so much more
Because your love takes me higher than I?ve ever been before
Where the heavens hold the stars that why they stay where they are
I know why they shine the way the do
That?s the way, that?s the way I feel about you
Just like a solider fights for what he knows is right

He gladly gives his last breathe of freedom and he wouldn?t even think twice
That?s the way, that?s the way I feel about you.
Oh they say the sky the limit, but I say there is so much more
Because your love takes me higher than I?ve ever been before
Where the heavens hold the stars that why they stay where they are
I know why they shine the way the do
That?s the way, that?s the way I feel about you
Oh I may not be a wise man but I know one things is true
That the reapers only reason is to find the ocean blue
That?s the way, that?s the way I feel about you
(That?s the way I feel about you)
That?s the way, that?s the way I feel about you
