

What Do We Got To Lose?

Leah LaBelle

oh oh ohhh ohh ohh ahh ^2
oh oh oh oh oh oh na na nah ^2

Verse:

The long days.

The cold nights.

The old ways.

The old fights.

Neither one is flinching.

The shattered trust.

The broken love.

The fake smiles, meanwhile neither one is wining

What if I asked you to hear - me - out?

What if I, said that I found a way that can save us,

Now

Course:

If we touch?

If we make up?

If we make love?

What do we got to lose?

If I try, to see your side?

Will you see mine?

What do we got to lose?

If we be, a little crazy and we see a love worth saving

If we try love and not give up on love we choose

Tell me what do we got to lose?

Verse:

I don't wanna fight no more.

Really, I forgot what the fight was all about?

And I don't wanna hate you.

What's the point in hating someone you can't live without?

If you want to you can hear now

And baby I, will spend the day to do the same for you,

Now

Course

Bridge:

(What would we be?) What would we be if agreed to pay my way things down

While, you shout your ego out

(Whatâ€™s the worst?) Whatâ€™s the worst it could happen if we no longer react to the pain and admit that were afraid

(Afraid) to lose in what we love

If I see the best in us

Apologies

Compromise

Right here right now tonight
