

# The Fireman

## Sarabeth Tucek

Hey, they call me the fireman, that's my name

Makin' my rounds all over town

Puttin' out old flames

Hey, well, everybody'd like to have what I've got  
I can cool 'em down when they're smolderin' hot

I'm the fireman, that's my name

Last night they had a bad one

A mile or two down the road

Well, my buddy walked out

And left his woman burnin' out of control

Well, I was down there in 'bout an hour or so

With a little mouth to mouth, she was ready to go

I'm the fireman, that's my name

They call me the fireman, that's my name

Makin' my rounds all over town

Puttin' out old flames

Hey well, everybody'd like to have what I've got  
I can cool 'em down when they're smolderin' hot

I'm the fireman, that's my name, burn 'em up

I've got fire-engine, red t-bird automobile

In a minute or less I can be dressed fit to kill

I work twenty-four on and twenty-four off

When they get too hot, they just give me a call

I'm the fireman, that's my name

They call me the fireman, that's my name

Makin' my rounds all over town

Puttin' out old flames

Hey well, everybody'd like to have what I've got  
I can cool 'em down when they're smolderin' hot

I'm the fireman, that's my name

They call me the fireman, that's my name
