

# I Can Feel the Fire

**Ron Wood**

I can feel the fire  
I can feel the fire, oh yeah  
I can feel the fire, burnin'  
I can feel the fire, burnin' I can see you by my side  
Picture you're here, by my side I can feel the fire, buzzin', oh yeah, oh yeah  
I can feel the fire, ragin' up inside  
I can feel the fire, burnin', oh yeah, oh yeah  
I can feel the fire, burnin', burnin', burnin' I can hear you callin' me  
Prettiest girl I've ever seen  
I can see you in the alley  
(Whatcha doin' down there, baby?) I can feel you in the alley  
(Got you up on my mind)  
I think, I can hear you in the alley  
(Wo, by my) I can feel you by my side  
Stickiest skin I've ever tried I can feel a fire burnin', oh yes, I do  
I can feel a fire burnin', up inside  
I can feel a fire burnin', up inside  
I can feel a fire burnin' I can see you by my side  
Gimme a chance to slip and slide I can feel the fire, burnin', burnin', burnin', burnin'  
I can feel the fire, burnin', burnin', burnin'  
I can feel the fire, burnin', burnin', burnin', burnin' Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin', burnin', burnin', burnin'? Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin', burnin', burnin', burnin'?  
Can you feel the fire, burnin'
