

Raining All the Time

Kill Hannah

She fell like a meteor onto the planet
And said, "Your world, it brings me down.
I feel like an animal, and I don't think I get it.
But one day I'll make you proud."It's raining all the time
It's raining all the time
It's raining all the timeI'll need you by my side
When I leave it all behind
It's raining all the timeShe crashed like an atom bomb
And said, "We can't live forever. One day, I'll see you around.
I dreamed we could disappeared, I just gotta do it
So no one can touch me now..."It's raining all the time
It's raining all the time
It's raining all the timeI'll need you by my side
When I leave it all behind
It's raining all the timeShe said, "I hate the rain,
But here it comes again."
She said, "I hate the rain,
But here it comes again.""I hate the rain,
Here it comes again.
I hate the rain,
Here it comes again."There's something in my head
I can't get off my mind
Since you've been gone
It's raining all the time...
