

# And We Danced (Omar! & Adrian S Bootleg)

## Macklemore & Ryan Lewis

oo lay hey hey  
oo lay hey hey  
oo lay hey heyand we danced  
and we cried  
and we laughed  
and had a really really really good time  
take my hand  
lets have a blast  
and remember this moment  
for the rest of our lives (our lives)  
our lives (our lives)  
our lives  
oh oh oh oh oh oh oh oh oh oh  
tonight (tonight)  
tonight (tonight)  
tonight  
cause tonights the night  
am I right?  
DANCEfeels like a night for a party  
my nature so naughty  
theres a knock on the door  
It's the neighbors  
quit cock blocking  
we're having a ho-down  
you hoe's down?  
don't make me pull my hose out  
Cause it's big, long, pink, strong  
and been known to dance like all night long  
grab my hand  
play this song  
DJ save my live c'mon  
leave your fear back off the wall  
free your beat and pussy pop  
If you dont have a pussy  
pop a cock into a bootay  
into a bootay yeahand we danced (oh oh)  
and we cried (oh oh)  
and we laughed (oh oh oh)  
and had a really really really good time (oh oh)

take my hand (oh oh)  
lets have a blast (oh oh oh)  
and remember this moment  
for the rest of our lives (our lives)I am not  
I am not  
going to stand on the wall  
I will dance  
I will dance  
I will break that ass off  
And I see you in the corner  
corner looking so small  
doing the robot like if I die  
tonight at least I went hard  
I will not  
I will not  
giva a damn who watches me  
I will live  
I will live  
Liberate the thoughts in me  
I will be the disco ball  
Freak and give my all  
To whatever girls booty I'm freaking on  
I'm not skeeting naw  
I'ts just freaking hot  
...alright I skeeted  
I will not be a manakin  
The ego bannish it  
the roof's on fire  
Let's burn down the vatican  
I will moonwalk to pluto  
in honor of Michael Jackson  
In heaven he'll be saying  
than man is tight at dancing  
RIP to the King  
Michael Jackson  
We learned it all from you  
Dedicate this to the dance floor  
party out the sorrow  
till tomorrow morning happens  
we pledge alliegence to the DJ  
put your hands upand we danced (oh oh)  
and we cried (oh oh)  
and we laughed (oh oh oh)  
and had a really really really good time (oh oh)

and remember this moment  
for the rest of our lives (our lives)you see me looking at you from that bar right over there  
but your friends are huddled up and they are hating on a player
