

# Believer

## Goldfrapp

A cupid on the go  
No arrow and no bow, yeah, yeah, yeah  
I thought you'd gone for good  
I hadn't understood, yeah, yeah, yeah Rushing like the sea  
You've come back to me I'm a believer, I'm a believer  
I'm a believer in you now  
I'm a believer, I'm a believer  
I'm a believer in you now Maker of a dream  
Leading every scene, yeah, yeah, yeah  
I needed to survive  
Without you I would die, yeah, yeah, yeah Rushing like the sea  
You've come back to me  
Now I'm saying I'm a believer, I'm a believer  
I'm a believer in you now  
I'm a believer, I'm a believer  
I'm a believer in you now Dreaming, you're dreaming  
Dreaming of the love  
I need you now  
Don't leave me now I'm a believer, I'm a believer  
I'm a believer in you now  
I'm a believer, I'm a believer  
I'm a believer in you now I'm a believer, I'm a believer  
I'm a believer in you now
