

# All that He Wants (american Jet Set)

## Kill Hannah

american jet set  
so young and cinemantic  
just start the car and lets goamerican jet set  
we need our blood stirred, dammit  
get off the floor and lets go  
like plastic figurines  
lay in the back and blast the tape machineit's all that he wants  
it's all that he wants  
and all that he wants  
is all that he wants  
and all that he wants  
is a minute with herto crash the ball and take her home  
to break her heart and tear her clothes  
to feel alive, young and terrifiedamerican jet set  
heartsick and so dramatic  
just fill the tank, i've had it  
like plastic figurines  
another burn-up on the airwavesit's all that he wants  
it's all that he wants  
and all that he wants  
is all that he wants  
and all that he wants  
is a minute with herto crash the ball and take her home  
to break her heart, and tear her clothes  
to feel alive, young and terrifiedtake a car, hot-wired and drive out  
this is an ugly town  
and we have to get out  
take a car hot-wired and drive out  
this is a fucked up town  
and it's freakin' me outit's all that he wants  
it's all that he wants  
and all that he wants  
is all that he wants  
and all that he wants  
is a minute with herto crash the ball and take her home  
to break her heart and tear her clothes  
to feel alive, young and terrified
