

A Picture Of Me (Without You)

George Jones

G C G
Imagine a world where no music was playing
G D
then think of a church where nobody's praying
G G7 C G
if you've ever looked up at a sky with no blue
G D G
then you've seen a picture of me without youG
C G
Have you walked in a garden where nothing was growing
G D
or stood by a river where nothing was flowing
G G7 C G
if you've seen a red rose unknissed by the dew
G D G G7
then you've seen a picture of me without youC G
Can you picture Heaven with no angels singing
G Dor a quiet Sunday morning with no church bells ringing
G G7 C Gif you've watched as the heart of a child breaks in two
G D G
then you've seen a picture of me without youG D C G
then you've seen a picture of me without you
