

Come To Jesus

Mindy Smith

Oh, my baby, when you're older
Maybe then you'll understand
You have angels that stands around you shoulders
'Cause at times in life you need a loving hand Oh, my baby, when you're prayin'
Leave your burden by my door
You have Jesus standing by your bedside
To keep you calm, keep you safe, away from harm Worry not my daughters
Worry not my sons
Child, when life don't seem worth livin'
Come to Jesus and let Him hold you in His arms Oh, my baby, when you're cryin'
Never hide your face from me
I've conquered hell and driven out the demons
I have come with a life to set you free Worry not my daughters
Worry not my sons
Child, when life don't seem worth livin'
Come to Jesus and let Him hold you in His arms Oh, oh
Oh, oh
Yeah, yeah, yeah Oh, my baby, when you're dying
Believe the healing of His hand
Here in Heaven we will wait for your arrival
Here in Heaven you will finally understand
Here in Heaven we will wait for your arrival
Here in Heaven you will finally understand Worry not my daughters
Worry not my sons
Child, when life don't seem worth livin'
Come to Jesus and let Him hold you in His arms
