

# There's Room For Everyone

## Dogwood

Hey mister, where are you going to come in from?  
Is everyone just as scared?  
Push me away, you don't know me or want to  
Your separation from yourself makes you feel good  
Don't run so fast, it doesn't last  
It's not your fault you stay away  
I've only myself to blame  
I can't change those yesterday  
So let's right the wrongs  
Everyone belongs  
All of the hatred and phobias are stemming  
From gifts that you didn't earn  
(You don't deserve)  
Like little children defining the outcast  
You insure they'll never return  
How will you learn?  
Don't think so fast, they never ask  
You stay inside they stay away  
We've only ourselves to blame  
For the mass-production of shame  
And we right the wrongs  
Everyone belongs  
There is room for me and you  
There is room for me and you  
We've only myself to blame  
We can't change those yesterday  
So let's right the wrongs  
Everyone belongs
