# Sweet Confusion

## By Divine Right

Sweet confusion, must have followed me here
Sweet confusion, holds me so dear
Sweet confusion, is in my soul
Sweet confusion, is in control

Yeah

With my heart in my hands (my heart in my hands)
With my heart in my hands (my heart in my hands)
Confusion, youâ€™re in command

Sweet confusion makes me feel alright
Sweet confusion keeps me up all night
Sweet confusion is in my soul
Sweet confusion gonna swallow me whole
Confusion, tell me what to do
Sweet confusion, Iâ€™m in love with you

Pure Protection
Sweet Perfection
Sweet Confusion is a fuel injection

Pure Protection
Sweet Perfection
Sweet Confusion is..

Goddess on the highway
Set the controls for the love love love
With my heart in my hands (my heart in my hands)

Confusion make me feel ok
Sweet, sweet confusion take me all the way
All the way
Take me, take me all the way
All the way

Sweet Confusion, Iâ€™m lost and found
Sweet confusion, all over this town
Sweet confusion, tell me what I true

Sweet confusion, Iâ€™m in love with you

Iâ€™m in love with you

Sweet Confusion never leave me alone
Sweet confusion is my only home
Sweet Confusion help me understand
Sweet confusion knows who I am
