Break Away

Lumidee

I had to break away from you
(From you)
And try to get used to me
Bein' alone is so brand new
(Brand new)
I never felt so free
Can life allow
The fact that you're no
Longer thought of?
It's honestyOpen a book, a picture's there
(Picture's there)
Of us when times were fair
Happiness was always so scared
(So scared)
To reach us in our pair
You left me there
Goin' nowhere
Of pain I was aware
'Cause it's you that had me thereI made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feelI made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feelI can't believe how you had me
(Had me)
So confused and weak
Alone and strong, I can go on
(Go on)
To understand my needs
Only in your dreams
Me and you
Could ever be
It's honestyHalf the time, umm, I was blind
(Was blind)
And I just could not see
All the damage that you did
You did do to me
I held it in

It's released
I was my own
My own therapyI made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feelI made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feel(I'm gone)
(You need to just move on)
How could you not see?
We weren't meant to be
(I'm gone)
(You need to just move on)
You and me no more
I'm sorry, it's over
(It's over, it's over)I made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feelI made up my mind so let me go
I just wanna let you know
This time I know that it's for real
I know in my heart that's how I feel
(I'm gone){Since I was in debris
Felt I was a evil seed
Feedin' me
A drug and liquor scene
Was defeatin' me
(And)
Reachin' me
Imprisonated by vicious mentality
Not escapin' me
Breakin' me
I see exactly what's takin' me
Firewater's holdin' me
Not a livin' thing controllin' me
Don't even have a broken dream
You look at me on notice
Please
Understand the road I lead
And my breaths of life don't wanna breathe
Because I feel I won't succeed}
