

# Lucifer (REmix by Necessary Response)

## Blutengel

She was not one of them  
She never had a friend  
She was the one that got teased  
She was not one of themShe always stands alone  
Nobody gave her a chance  
She was always pushed around  
She was not one of themShe's in love with the devil  
She's in love with Lucifer  
This is her revenge for all the years of hate and tears  
Fire is falling from the sky  
She's burning down her past  
She starts a new life  
To hell with Jesus ChristHer parents died by accident  
She never fell in love with someone  
Nobody understood her fear  
And every night she cried for helpShe prayed to God 'cause she was told to  
But he never spoke to her  
She felt so cold and left alone  
But then the fallen angel cameAnd then the fallen angel came  
To heal the pain inside her heart  
Her broken heart  
She closed her eyes and saw his goodness  
And the truth  
She's not alone  
He's always thereShe's in love with the devil  
She's in love with Lucifer  
This is her revenge for all the years of hate and tears  
Fire is falling from the sky  
She's burning down her past  
She starts a new life  
To hell with Jesus Christ
