Up There

South Park

huhhhSometimes I think
When I look up real high
That there's such a big world up there
I'd like to give it a try
But then I sink
Cos it's here I'm suppossed to stayBut I get so lonely down here
Tell me why does it have to be that wayUp there there is so much room
Where babies burp and flowers bloom
Everyone dreams, I can dream tooUp there, Up where the skys are ocean blue
I could be safe and live without a care up thereeee.ohhhh wowoThey say I don't belong
I must stay below alone
Because of my beliefs I'm suppossed to stay where evil is sown
What is evil anywayhoowwwwIs there reason to the rhyme
Without evil there could be no good so it must be good to be evil sometimesUp there there is so much room
Where babies burp and flowers bloom
Everyone dreams, I can dream tooUp there, Up where the skies are ocean blue
I could be safe and live without a care,
Live without a care
If only I could live UP THERE.I want to live up thereeeeeeee.
