

Strong Arm of the Law

Saxon

I was listening to the music on the radio
I had a feeling that something's not right
The music was loud, we could still hear the crowd
From the gig that we played that nightWe pulled into a motorway restaurant
 Stopped awhile, fooled around
 But I still had a feeling that something's not right
 'Cause we're standing in a hole in the groundStop, get out
 We are the strong arm of the law
 Stop, get out
We are the strong arm of the lawInto the night came a blue flashing light
 A blast from the siren to make sure
 But it came to a stop behind the motorway cop
Who'd been tailing us for more than an hourHe pulled us out of the car on the side of the road
 He questioned us one at a time
 Where is the gear that we know that you use
We said the only speed we use is on carsYou should've seen the stupid smirk drop from his face
 It was a negative exercise
 The way that we dress and the things that we do
 They thought it was an easy bust
