

# Save A Place For Me

## Matthew West

Don't be mad if I cry  
It just hurts so bad sometimes  
'Cause everyday it's sinking in  
And I have to say goodbye all over again You know, I bet it feels good to have the weight of this world  
Off your shoulders now  
I'm dreaming of the day  
When I'm finally there with you Save a place for me, save a place for me  
I'll be there soon, I'll be there soon  
Save a place for me, save some grace for me  
I'll be there soon, I'll be there soon I have asked the questions why  
But I guess the answer's for another time  
So instead I'll pray with every tear  
And be thankful for the time I had you here So you just save a place for me, save a place for me  
I'll be there soon, I'll be there soon  
Save a place for me, save some grace for me  
I'll be there soon, I'll be there I wanna live my life just like you did  
And make the most of my time just like you did  
And I wanna make my home up in the sky just like you did  
Oh, but until I get there, until I get there Just save a place for me, save a place for me  
'Cause I will be there soon  
Save a place for me, save a place for me  
I'll be there soon, I'll be there soon Don't be mad if I cry  
It just hurts so bad
