

The Loved One

Inxs

Yonder she's walking
She comes my way
Her red dress on
Her long black hair
Walking like
Talking like
Wanting like
She comes to me
Oh baby, I love you so
I need you now
I want you back
I can't go on
Helpless baby, evil child
I've known you well
And if you want to stay
That's alright
Well you want me again
And then you come a running to me
Baby, baby that's alright
Oh that's alright, hey, that's alright
And now she's gone
She's walkin' away
Her red dress on
Her long black hair
Well I love her so, yeah
And now she'll come running
Anytime I say
Anytime I say
Oh baby, I love you so
I need you now
I want you back
I can't go on
Oh baby, I love you so
I need you now
I want you back
I can't go on
Oh baby, I love you so
I need you now
I want you back

I can't go on oh yeah
I love you so, baby
I need you so
I want you back
I can't go
I can't go on
