

# If I Were You (Hit Radio Mix XXL)

Candee Jay

If I were you  
I would never let me go  
If I were you  
I would always love me so

I can't play your part in life  
But I would surely walk my way  
I cannot think the way you think  
But I would never go away

You can trust me when I say  
That I will always be for real  
You can always count on me  
No metter how alone you feel

If I were you  
I would never let me go  
If I were you  
I would always love me so  
If I were you

I would never..  
I would always..

I can't tell you what to do  
I can only hope for more  
More decisions to be good  
Like the way they were before

I can't dream the things you dream  
Cause I would not know where to start  
Life is never what is seems  
when two souls are far apart

I don't wanna know  
How it feels to lose a friend  
And if I were you  
I would never leave again

If I were you

I would never let me go  
If I were you  
I would always love me so  
If I were you

If I were you  
I would never let me go  
If I were you  
I would always love me so  
If I were you
