

Raise Your Weapon (Ft. Greta Svabo Bech)

[deadmau5](#)

Rippin' my heart was so easy, so easy
Launch your assault now, take it easy
Raise your weapon, raise your weapon,
One word and it's over Rippin' through like a missile,
Rippin' through my heart,
Rob me of this love
Raise your weapon, raise your weapon,
And it's over Love your ego, you won't feel a thing
Always number one,
The pen with a bent wrist crooked king
Sign away our peace, for your war
One word and it's over
Dropping your bombs now, on all we've built
How does it feel now to watch it burn, burn, burn?
Raise your weapons, raise your weapons,
And it's over Rippin' through like a missile,
Rippin' through my heart,
Rob me of this love
Raise your weapon, raise your weapon,
And it's over How does it feel now to watch it burn (burn)? Rippin' my heart was so easy, so easy
Launch your assault now, take it easy
Raise your weapon, raise your weapon,
One word and it's over Rippin' through like a missile,
Rippin' through my heart,
Rob me of this love
Raise your weapon, raise your weapon,
And it's over Love your ego, you won't feel a thing
Always number one,
The pen with a bent wrist crooked king
Sign away our peace, for your war
One word and it's over
Dropping your bombs now, on all we've built
How does it feel now
To watch it burn, burn, burn?
Raise your weapons, raise your weapons,
And it's over
