Free Fallin'

Samantha Jade

And I'm free falling
I'm letting go just let the melody flow
And I'm free falling
I'm feeling so like whatever cause things can only get better
And I'm free tonight
Sweet dreams goodbyeIt's not the first time I felt this heartache
It's not the first time I felt my world shake
Won't be the last time I cry but there's no tears tonight
Leavin my stress at the door till day breakCos I can feel it in the air
Something's different tonight
I'm stepping out of your shadow
And moving into the light
Figured it out now I'm liberated
Feel like I'm somebody new
Not waiting round for your love now baby
You're never coming throughAnd I'm free falling
I'm letting go just let the melody flow
And I'm free falling
I'm feeling so like whatever cause things can only get better
And I'm free tonight
Sweet dreams goodbye
I'm free tonight
it's all good I'm alrightIt's not the first time I've started over
It's not the first time my world grew colder
It's gonna take a little time but right now I'm doing fine
Gonna live it up before I get much older
And I can feel it in the air
Cos' something's different tonight
I think I'm finally moving on
Yeah I've come back to lifeAnd I'm free falling
I'm letting go just let the melody flow
And I'm free falling
I'm feeling so like whatever cause things can only get better
And I'm free tonight
Sweet dreams goodbye
I'm free tonight
It's all good I'm alrightAnd I'm free falling
I'm letting go just let the melody flow
And I'm free falling

I'm feeling so like whatever cause things can only get better
And I'm free tonight
Sweet dreams goodbye
I'm free falling
