I Hate You

Capture the Crown

I hate you
I hate more everyday
I'm sick of
Watching you bullshit your way to the top
You're a fake
Beam of light to the lost
No one sees it, but me
The words you preach
The lessons you teach
Aren't even your own
There's no mind
No heart
No soul
Nothing authentic involved
Your fucking heads in the sky
Your clothes are made of your lies
But you wear them so proud

You thought you had it all figured out
I can see right through you
I I hate hate
What what
You've become living a lie
You call a life

I hate you
You've thrown more than you can change
The hounds are waiting
The hounds are waiting

You thought you had it all figured out
I can see right through you
I I hate hate
What what
You've become living a lie
You call a life [fade]

Fake!
You fucking fake!
You fucking fake!

Fakeeeee!!

You thought you had it all figured out
We can see right through you
I I hate hate
What what
You've become living a lie
You call a life

Fake
I hate you!
I hate you!
Fake
