Bipolar

Truncate

Crazy!

[willie & qwanell]
Girrrl what do you want me to do
Do you want me to stay or do you want me to wait
I'm not avengilent for you this way?
Sometimes your dark as night
But sometimes your bright as day
So which extreme do you wanna choose
Look what you have done to my mental space
I'm going through an episode watch out I think it's truly

[chorus]
Crazy I think I lost my mind today
But to my dismay I've been lead astray
Cause you betrayed me
And baby
Your clothes are kinda different
She can't make up her mind
I swear this is my last time
See I can't control her
I guess she's bipolar

[robert & qwanell]
Girl if you know just how much I loved you oh
(cause the way you've been acting lately got me questioning if it's true)
But you didn't know nothing about that boo
Hold that thought I'ma throw you a clue
And maybe scream my point of view
My diagnosis of the emness that affects you
Could put ours lives at stake
Look what you've done to my mental space
I'm going through an episode
Watch out I think it's truly

[chorus]

[bridge: qwanell & mike]
She's suffering I know
She's suffering I know

Got me wondering why why why
Did shorty buy buy buy
She's suffering I know
She's suffering I know
(she's suffering)
I'm not gone tell a lie
I wanna be your guy
(brian) but you gotta hit the road
Before I lose control
And bi

[chorus: x2]
