Stardust

Lucy Woodward

Sometimes I wonder why I spend
The lonely nights dreaming of a song
That melody haunts my reverie
And I am once again with you
When our love was new
And each kiss an inspiration
But that was long ago
Now my only consolation
Is in the stardust of a song
It was beside the garden wall
(Beside the garden wall)

(Beside the garden wall)
When stars are bright
(When stars are bright at night)
You were in my arms
The nightingale tells its fairytale
Of paradise where roses bloom
So I dream in vain
In my heart you will remain
My stardust melody
The memory of love's refrain
