Who Am I To Stand In Your Way

Chester See

Forgive me
I may have said things
That aren't exactly
The way that I feelI told you I'd be strong
I said that I'd moved on
But it doesn't take long
To realizeThat I'm not over youBut if there is somebody that makes you feel happy
Tends to your heart in the ways I'd been lacking
Then who am I who am I to stand in your way
To stand in your way
To stand in your way
I won't stand in your way
I know it sounds crazy
But I need you to trust me
If it's how it must be
Then I'll fade awayWhen it finally feels true
Do what you have to
Cause I'll never blame you
For not choosing meBut I'm not over youIf there is somebody that makes you feel happy
Tends to your heart in the ways I'd been lacking
Then who am I who am I to stand in your way
That I feel is no longer your burden
If there is someone that makes you feel perfect
Then who am I who am I to stand in your way
To stand in your way
To stand in your way
I won't stand in your way
Down the road someone will ask me if I know you
I'll pause for a moment I'll smile and say that I used toIf there is somebody that makes you feel happy
Tends to your heart in the ways I'd been lacking
Then who am I who am I to stand in your way
That I feel is no longer your burden
If there is someone that makes you feel perfect
Then who am I who am I to stand in your way
To atand in your way
To stand in your way
I won't stand in your way
