My Crown

Vero

Verse 1

Life in the darkness
Gotta make my way through the winds and storms
Survive in this desert
Where I find my hopes, I will give my love
Where I find my dreams I will give my life
Like all kings and queens
I own my destiny
My heart don't cry, coz I'm about to reach my crown

Chorus

Would you wipe those tears away
Don't you cry no more
Coz I'm about to reach my crown
I'm about to reach my crown
(REPEAT ABOVE CHORUS)

Verse 2

I've found my purpose
I will make my way to the end of the world
That's my promise
Whatever the price, whatever the cost
I'll do the time, I'll fight the wars
Like all kings and queens
I own my destiny
My heart don't cry, coz I'm about to reach my crown

Chorus as above

Bridge

The pain that makes a bleeding heart, will fade away
The joy that you deserve will see it's day
I believe in life there must be change, for the better
Yeah, for the better, better, better, better

Chorus as above X 2

My crown, crown
My crown, crown
My crown, crown
I'm about to reach my crown
