Space In My Heart

Patricia Kaas

Space in my heart
D. austin & maxi priestAll I really want to do is get
You babe and hold you tight
Never let you go
I promise you
To close my eyes and wait
A while
And still find you there
Caring about me instead of
Just wasting my time
I gave you my heart,
Ooh baby
Was that not enoughChorus:
There's a space in my heart
Waiting for you, yes there is
When you've found where
You're going
I'll be there too, yes I willI guess I never told you that
I love you
But each moment was wrong
And I would die
If I never get a chance to show
You how strong
I gave you my heart, yes i
Did babe
Was that not enough for
You babyChorusGoing to find a way
Find a way to make you mine
