

Watch Me Move

Fefe Dobson

When I walk I'm walkin' straight up with the motion
When you see my hips shake baby look for cover
You try to put me in a box but I'm the only one
I'm a firecracker
Boy don't tell your mother

W-w-w-watch me move
W-w-w-watch me move
I'll get you in the mood
W-w-w-watch me

I'm a lover with no boundaries
You can't hold me down
But if I like it baby, I might just let ya
I feel it

When I through you're gonna learn more than a thing or two
I'm gonna tease ya till you beg for euthanasia
I'm a respirator *gasp*
Now watch me move

W-w-w-watch me move
W-w-w-watch me move
I'll get you in the mood
W-w-w-watch me

love me baby
Take a good look put it into your memory
When I walk into the room you're gonna, you're gonna
You're gonna w-w-w-watch me move

W-w-w-watch me move
W-w-w-watch me move
W-w-w-watch me move
W-w-w-watch me

You know I like it new
I'll get you in the mood
