

Impress The Kid

Slick Rick

Uhh check it out S and S
With the ruler '98Def Jam
And here we are, in the phase again
That ol' funeral music, is he goin' to heaven or is he goin' to hell?
I don't know, he's right in the center, y'know what I mean?
(C'mon '98 c'mon)
Nigga no way rap better than, act better
That veteran of rap [unverified]
Brung on, motherfucker sung on, run on
Come on, go and have fun on, run on
Immediate considered, no he really ain't
The main ingredient, comedian, must be obedient
Reason why the player who away a few, say that too
'Cos no one else can talk shit way I do
School kid, the cool slid
And I rule wid, still shoot wid my two, kid
Ain't no way on Earth to faze Rick, the man plays with wit
Eras-ed the man amazin' the bassin'
Border him, all on ya albums slaughterin'
Better spin like slavery when I order him
Rejects creep yet keep step
Every borough, every state
Every country in deep check
Mack all of it, controller shit, catch hold of it
How you gonna move Slick when cats like solo Rick?
Accept, yet no chances that they make plans
To wreck and make a nigga, break-dance the record
I turned and learned this sequel I burned went
Urgent, mad white people like servin'
Interested with, gets congested with
Clowns, haven't made a record, impress the kid
No entry, let's keep a hood rhymin' shit
(A-party people)
Are you tryin' to have yourself a good time or what?
No stressin' you, type of beat bring out the best in you
Allegeble, ruler came to add a touch of bless onto
Niggas think they bashin' me, his majesty
Of garbage and never were no match for me and actually
Many a girl catch the fever

And I don't need anyone else rap with either
If this is based on skill, kill anybody will
Affiliate Rick real to Hicks Ville
Same ruler movin' cowardness out of this
Never out powerless, devour this and now it is
Time for one to leave upon impeach
Help teach all men how to live amongst each
(Know I'm sayin'?)

Although a lotta creep yet keeps
Every borough, every state, every country in deep check
Mack all of it, controller shit, catch hold of it
How you gonna move Slick when cats like solo Rick?
Accept, yet no chances that they make plans
To wreck and make a nigga, break-dance the record
I turned and learned this sequel I burned went
Urgent, mad white people like servin'
Interested with, gets congested with
Clowns, haven't made a record, impress the kid
The bounce men, S and S sound bend
Listen up kid, an important announcement
There's a rapper I know many interested in
Named Rick, no rapper alive could mess with him
Lace records all audience roar to
Grand of a show, skill on the dance floor too
Freakin' awesome, of course I'm married
High school broads keep your drawers on
'Cos this one in perf' case
Guaranteed to make you break fool at the work place
Diligent, shout as Mr Militant
Allow me to do my thing, it's all brilliant
Although sometime the reign may slip
Can't skip my part on the human tip
Ain't shit, you rejects creep yet keep step
Every borough, every state, every country in deep check
Mack all of it, controller shit, catch hold of it
How you gonna move Slick when cats like solo Rick?
Accept, yet no chances that they make plans
To wreck and make a nigga, break-dance the record
I turned and learned this sequel I burned went
Urgent, mad white people like servin'
Interested with, gets congested with
Clowns, haven't made a record, impress the kid
