

# Turn Around (Ã,me Remix)

## Sailor & I

We hold on for a while  
This is all we've got right now  
Pretend we're doing fine  
Pretending we're doing fine You could turn around, turn around  
Or you could throw your love, your love, around  
Or you could turn around Please hold me one more time  
I'd like to feel your hand inside of mine  
But I can't tell what's right or wrong  
I can't tell what's right or wrong You could turn around, turn around  
Or you could throw your love, your love, around  
Or you could turn around
