

Wedding Bell

[Depapepe](#)

Hello

You're humming tomorrow's never songs
But you're singing the only words you know
Would you cry, if I lied, on the dam

I chose, yeah

You're ringing the only wedding bell
And we're swimming the seas we've known so well
I've tried, to stay alive, in our bed, in our heads
Oh, but your wish is my command

Ahhh, is your heart still mine to save?

I

enjoy

nothing

ahhh

I chose, yeah

You're ringing the only wedding bell
And we're swimming the seas we've known so well
I've tried, to stay alive, in our bed, in our heads
Oh, but your wish is my command
