

# I Want to Be Like Everybody Else

## Sparks

Dressing up when the world is Levi Strauss  
Dressing down when tuxedos fill the house  
Going out when the rest are coming home  
Coming home when the rest are going out  
And when I'm broke and really down  
Everybody's throwing tons around  
And when I finally get my pay  
Everyone's in India or so they say  
I wanna be, I wanna be, I wanna be, I wanna be  
I want to be like everybody else  
I want to be like everybody else  
Gravity don't work on me  
I want to be like everybody else Drink your milk, then your coke  
Then your rye  
First you're born, then you live  
Then you die  
First you cry, then you sing, then  
You moan  
First you're wet, then you're dry  
Then you're bone  
It's such a one, two, three affair  
Where did I go wrong, I'm stuck out here  
I'm stuck, it's up to you  
Hold me so tight they think I'm you I wanna be, I wanna be, I wanna be  
I wanna be I want to be like everybody else  
I want to be like everybody else  
Gravity don't work on me  
I want to be like everybody else
