Deep In My Heart

Marques Toliver

Deep In My Heart I Know Its Right
And My Enemies They Try To Break Me
But I Wont Give Up Without A Fight...
I Gotta Keep On Pressing OnIve Gotta Keep My Mind Free, Just To Keep On Walking, Even If Im All Alone
I Wont Let Nobody, Ever Try To Stop Me,Ive Gotta Keep Track Of My Soul
Despise Me If You WannaBut I Know That You Will Never Win
Baptize Me If You WannaBut Ill Never Be The Same AgainThe Same AgainTake One Step, Dont Look Back.
Take One Step, Dont Look Back. Take One Step, Dont Look Back, Dont Look Back, Dont Look Back.
Take One Step, Dont Look Back. Take One Step, Dont Look Back. Take One Step, Dont Look Back, Dont
Look Back, Dont Look Back.Deep In My Heart I Know Its Right
And My Enemies They Try To Break Me
But I Wont Give Up Without A Fight...Theres Power In Your Sorrow. Youll See Tomorrow, Take You Places
You Dont Know
It Led Me Up To Heaven, Now They Say Im Ready, And Its Time To Let It Go
Despise Me If You WannaBut I Know That You Will Never Win
Baptize Me If You WannaBut Ill Never Be The Same AgainThe Same AgainDeep In My Heart I Know Its Right
And My Enemies They Try To Break Me
But I Wont Give Up Without A Fight(Take One Step, Dont Look Back, Take One Step, Dont Look Back, Dont
Look Back, Dont Look Back)Yes And Imma Swear That Im ReadyI Feel It In The Atmosphere, Forever Has
Disappear
Take It With All Of My Magic, But I Found My Home, I Find My HomeDeep In My Heart I Know Its Right
But I Wont Give Up Without A Fight
Deep In My Heart I Know Its Right
But My Enemies They Try To Break Me
But I Wont Give Up Without A Fight
I Gotta Keep On Pressing On
