

Hotel Lorraine

Otis Spann

Tell me, tell me he was talking
To some of his friends at Hotel Lorraine
Got to be Memphis, TN
You know he was talking
In front of the Hotel Lorraine
People ask why violence has taken over
And the devil got into that evil man

While Dr. King was talking
You know he didnâ€™t feel a thing
Yeah, while he was talking
You know the poor man didnâ€™t feel a thing

They tell me 8:05 the world was all up in a flame

Dr. King was a man that could really understand
Yes, brother,
Dr. King was a man and everybody knows he could understand
You know at last what he said
God knows Iâ€™m going to the promised land
