Mirror Song (feat. Frances Lawson

Mirror

I believe in Love, Love, Love, Love, Love.When you can't see the forest or the trees,
Follow the colors of your dreams,
Just turn to friends their help transcends to love, love, love, love, love.I believe in Love, Love,
I believe in Love, Love, Love, Love, Love.The winter's finally passing on,
The king is back, the queen is gone,
Come dance with me cause now we're free to love, love, love, love, love.
I believe in Love, Love,
I believe in Love, Love, Love, Love, Love.
