3-6-9

Willie Kent

3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
Ladies and gentlemen
I'm about to make you feel alright
I've got the beat to move your feet
Plus I know just what you like
You're hotter then a pepper
1, 2 stepper, baby that is a shame
You gotta keep it moving, gotta keep it groovin'
'Cause baby you're off the chain
Now let me see ya like
A hanky panky I'ma turn around
The girl's gonna do it, let me lay it down
There's a couple of games I like to play
By the time I'm due this is what you'll say
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
If you gotta problem
I don't wanna hear it just let it go
All my ladies on the beat
Let me see you drop it to the floor
Fellas take a look around
The ladies are so fine!
It's going down, so get on up
Now you add that second line
Now let me see ya like
A hanky panky I'ma turn around
The girl's gonna do it, let me lay it down
There's a couple of games I like to play
By the time I'm due this is what you'll say
3, 6, 9, the goose drank wine

The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat

It's B.O.B.
Acting like a radar
The way she movin' faster
Then go slow just like some dalla
So maybe me and her
Can get to chewin' like tobacco
That's old fashioned talk
But my slang is rather dapper
And plus I got the swagger
Clap clap
Like a pistol
She seen my everywhere
Because I be on my grizzle
Dat mean I'm on my ground
All the time
No matter little
Her name is Claudia
She said meet ya in a little bit
So I'm trying to see if she can
Clap clap
In the building
Women let me see ya
Clap clap
Players in the building
Let me see ya
Clap clap
Came to get it started
Let me see ya
Clap clap
Came to have a party
Let me see ya
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line

The line broke, the monkey got choked
And they all went to heaven in a little rowboat
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
3, 6, 9, the goose drank wine
The monkey chewed tobacco on the streetcar line
The line broke, the monkey got choked
And they all went to heaven in a little rowboat
