Lately (Love, Love, Love)

Little Giants

Lately I've been thinking...Lately I've been thinking that I want you instantly
Only know you for a minute, but it's good enough for me
Yeah, I know we'll be amazing
When we're lost in symmetry,
So let's stop into the lightning
Gonna set your body free!So what we're misbehaving?
No matter what they say
It's only LOVE and nothing in between!
Lately I've been thinking that I want you instantly,
Only know you for a minute, but it's good enough for meIt's only LOVE LOVE LOVE LOVE
That's what I said
It's only LOVE LOVE LOVE LOVE
Don't be afraid!
Lately I've been feeling as my heart's beat up the fire
It's only you, it's only me, it's only love!
It's only LOVE!
It's only you, it's only me, it's only love!Lately I've been thinking I don't want to take it slow,
So, it's time we stop pretending
I know you can't let me go
Yeah, I know we'll be amazing
When we're lost in symmetry,
I wanna dive into your ocean,
Let it wash all over me!So what we're misbehaving?
No matter what they say
It's only LOVE and nothing in between!
Lately I've been thinking that I want you instantly,
Only know you for a minute, but it's good enough for meIt's only LOVE LOVE LOVE LOVE
That's what I said
It's only LOVE LOVE LOVE LOVE
Don't be afraid!
Lately I've been feeling as my heart's beat up the fire
It's only you, it's only me, it's only love!
It's only LOVE!
It's only you, it's only me, it's only love!Lately I've been thinking...
Lately I've been thinking...
It's only LOVE LOVE LOVE LOVE
It's only LOVE LOVE LOVE LOVE
It's only LOVE LOVE LOVE LOVE
It's only you, it's only me, it's only love!

Lately I've been thinking, it's only LOVE
Lately I've been thinking, it's only LOVE
Lately I've been thinking that I want you instantly
It's only you, it's only me, it's only love!
