

Home Again

Carole King

Sometimes I wonder if I'm ever gonna make it home again
It's so far and out of sight
I really need someone to talk to
And nobody else knows how to comfort me tonight
Snow is cold, rain is wet
Chills my soul right to the marrow
I won't be happy till I see you alone again
Till I'm home again and feeling right
Snow is cold, rain is wet
Chills my soul right to the marrow
I won't be happy till I see you alone again
Till I'm home again and feeling right
Till I'm home again and feeling right
I want to be home again and feeling right
