

# Anyway

## HUNTAR

Follow my heart, follow my feet  
All the advice that I take  
Fall into line, fall into place  
All of these rules that you make  
I know you want me to be something more  
But I know what I'm doing is right for me I don't need a silver lining,  
I don't need your hope  
I can't seem to see you smiling,  
But it's okay, okay  
I, I didn't need it anyway! I didn't need it anyway!  
I didn't need it anyway! Follow my heart, all of my dreams  
Give me a reason to change it  
Pull them apart, split them to seams  
I won't forget where I came from  
Why won't you let me to be who I am?  
When I know what I'm doing is right for me? I don't need a silver lining,  
I don't need your hope  
I can't seem to see you smiling,  
But it's okay, okay  
I, I didn't need it anyway! I didn't need it anyway!  
I didn't need it anyway! We could talk about the future,  
We could talk about it all  
You could talk about my dreams  
Oh, why? Why is all that you have to say so flawed? I don't need a silver lining,  
I don't need your hope  
I can't seem to see you smiling,  
But it's okay, okay  
I, I didn't need it anyway! I didn't need it anyway!  
I didn't need it anyway! I didn't need it anyway!  
I didn't need it anyway!
