

# Heartbreak USA (Re-Recorded / Remastered)

Kitty Wells

(Back home in heartbreak USA)

The harbor's empty my love has gone

With aching heart I face each cold and lonely dawn

And till the trade winds bring him home to stay I'll live in heartbreak USA  
Don't let those Geisha girls get your  
heart in a whirl

And if you meet some sweet Fraulein remember you're mine

Don't forget your sweetheart while you're away back home in heartbreak USA  
Sometimes I'm lonely and time  
stands still

And I wonder if you feel the way I always will

So darling write me letters every day in care of heartbreak USA

Don't let those Geisha girls...
