

You're My Only Shorty

Demi Lovato

Last night was crazy and today it's setting in
Did you really mean it,
And could you say it again?
Oh, oh, even if you just say it over the phone
(C'mon make it real) Love makes me crazy, restless, dumb and paranoid
But I'll take a chance on us and
Hope you don't destroy my heart
Just give me one guarantee
I'm the only girl you see, what you say, boy? You're my only shorty
You're my only shorty
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only one and only You're my only shorty (Am I your only shorty?)
You're my only shorty (Am I your only shorty?)
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only, you're my only shorty
(Am I your only shorty?) Every day and night you got
An open invitation
As long as I'm your one and
Only destination, fly with me
I'll be your fantasy You're in demand
But baby, baby, so am I
But if you're weak and try to sneak
I'll have to tell you bye, bye
I'ma put you on the spot Am I your only girl tonight? (What you say boy?)
You're my only shorty (Am I your only?)
You're my only shorty
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only one and only (Am I your only?) You're my only shorty (Am I your only shorty?)
You're my only shorty (Am I your only shorty?)
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only, you're my only shorty
(Am I your only shorty?) Please, baby, please give me all your attention
Don't let my heart go seeking
No other direction
I gotta be the only one for your affection

Oh, yea, baby girl, did I mention? You're my only shorty (Am I your only shorty?)
You're my only shorty (Baby, come clean)
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only, you're my only (Am I your only shorty?) You're my only shorty (Am I your only shorty?)
You're my only shorty (Am I your only shorty?)
I'm telling you the truth, girl it's only you
You're my only, you're my only
You're my only, you're my only shorty
(Am I your only shorty?) Am I your only, am I your only? (Yeah)
Tell me, am I your only shorty? (Yeah, yes you are)
Wanna hear you say yeah (Yes you are)
Am I your only shorty?
